

Are you living with cancer and claiming Universal Credit?

If so, we'd love you to take part in a study we're doing with **Macmillan Cancer Support**

We are trying to **improve the experience of benefit claimants who are living with cancer.**

We are looking to chat to people over the phone who are **living with cancer** and began claiming **UC** in the last four years.

You could receive **between £30 and £80** to say thank you for your participation

Call **02077358040** or email:

Isobel.newton@revealingreality.co.uk or

jonathan.craig@revealingreality.co.uk

Who we are:

Revealing Reality is a strategic research and innovation agency focused on helping our clients deliver change. Find us at www.revealingreality.co.uk
